Journal of ETHNO-PHARMACOLOGY

Contents (Vol. 41)

RESEARCH PAPERS

Bufo alvarius: a potent hallucinogen of animal origin
A.T. Weil, W. Davis (USA) 1

Scavenging action of propolis extract against oxygen radicals
C. Pascual, R. Gonzalez, R.G. Torricella (Cuba) 9

Anti-inflammatory activity of *Sideritis javalambrensis* extracts
B. de las Heras, J.M. Vivas, A. Villar (Spain) 15

Leishmanicidal and trypanocidal activities of Bolivian medicinal plants
A. Fournet, A.A. Barrios, V. Muñoz (France, Bolivia) 19

Effects of a prolonged administration of valepotriates in rats on the mothers and their offspring
S. Tufik, K. Fujita, M. de Lourdes Ventura Seabra, L.L. Lobo (Brazil) 39

In vitro screening for the anti-anaphylactic agent in *Thonningia sanguinea*
A.K. Nyarko, M.E. Addy (Ghana) 45

Effect of *Melia azedarach* L. leaf extracts on human complement and polymorphonuclear leukocytes
F. Benencia, M.C. Courrèges, E.J. Massouh, F.C. Coulombié (Argentina) 53

Antiatherosclerotic effects of fish extract feeding in rabbits
D. Gusain, I. Sharma, V.P. Dixit (India) 59

Diuretic action of an aqueous extract of *Lepidium latifolium* L.
E. Navarro, J. Alonso, R. Rodriguez, J. Trujillo, J. Boada (Spain) 65

Bioactivity of certain Egyptian *Ficus* species
O. Mousa, P. Vuorela, J. Kiviranta, S.A. Wahab, R. Hiltunen, H. Vuorela (Finland, Egypt) 71

Effects of Kampo medicines on the clearance of circulating immune complexes in mice
K. Iijima, M. Tanaka, K. Toriizuka, J.-C. Cyong (Japan) 77

Radical scavenger effect of *Boschniakia rossica*
T. Tsuda, A. Sugaya, Y.Z. Liu, K. Katoh, H. Tanaka, H. Kawazura, E. Sugaya, M. Kusai, M. Kohno (Japan) 85

Toxicological assessment of azarcon, a lead salt used as a folk remedy in Mexico. I. Oral toxicity in rats
L. Yáñez, L. Batres, L. Carrizales, M. Santoyo, V. Escalante, F. Díaz-Barriga (Mexico) 91

Was opium known in 18th dynasty ancient Egypt? An examination of materials from the tomb of the chief royal architect Kha
N.G. Bisset, J.G. Bruhn, S. Curto, B. Holmstedt, U. Nyman, M.H. Zenk (UK, Sweden, Italy, Denmark, Germany) 99

Antimicrobial activity of *Visnea mocanera* leaf extracts
M. Hernández-Pérez, R.E. López-García, R.M. Rabanal V. Darias, A. Arias (Spain) 115

Structure—activity relationship in the ability of flavonols to inhibit chemiluminescence
W. Krol, Z. Czuba, S. Scheller, Z. Paradowski, J. Shani (Poland, Israel) 121

Hirudinicidal activities of some natural molluscicides used in schistosomiasis control
G. Gebremedhin, C.O. Adewunmi, W. Becker, J.M. Agbedahunsi, G. Dörfler (Nigeria, FRG) 127

IN MEMORIAM 133

RESEARCH PAPERS

Application of diode array detection for the identification of poisoning by traditional medicines
G.N. Foukaridis, G.L. Muntingh, E. Osuch (South Africa) 135

A preliminary chemotaxonomic review of *Kopsia* (Apocynaceae)
T. Sévenet, L. Allorge, B. David, K. Awang, A.H. Hamid, C. Kan-Fan, J.-C. Quirion, F. Remy, H. Schaller, L.E. Teo (France, Malaysia) 147

Immunostimulatory activity of *Picrorhiza kurroa* leaf extract
M.L. Sharma, C.S. Rao, P.L. Duda (India) 185

Medicinal plants used by the Masango people in Gabon
B. Akendengué, A.M. Louis (Gabon) 193

SHORT COMMUNICATION

Antimicrobial and phytochemical screening of medicinal plants of the United Arab Emirates
M.O.M. Tanira, A.K. Bashir, R. Dib, C.S. Goodwin, I.A. Wasfi N.R. Banna (United Arab Emirates) 201

Subject index 207
Author index 209
